

Miniature Spokeshave

05P84.01

This spokeshave is a scaled-down version of the Veritas® Flat Spokeshave. The body is machined investment cast stainless steel, the turned components are stainless steel, and the handles are hardwood.

Blade Geometry

The 0.060" thick by 3/4" wide A2 tool steel blade has the bevel ground at a 30° angle.

Note: A corrosion-inhibiting paperboard chip is included in the case. It will provide continuous corrosion protection for up to two years.

Accessory

05P84.05 Replacement Blade
